

PROJECTED REGIONAL IMPACT

Economic impact begins with construction, grows when the terminal opens, and continues to increase over time. Project spending has a ripple effect, creating jobs, revenues, and new business in the region and beyond.

NEW TAX REVENUES*

Although Port NOLA is tax exempt, the private terminal operators will own improvements and equipment on the terminal, which will be subject to property tax. Off-property companies involved in trade will also pay property taxes, and sales tax will be collected on taxable goods and services both on and off the terminal.

Direct sales and use taxes will apply to private partners' construction and equipment costs. Sales taxes will also be collected on taxable goods and services both on and off the terminal.

\$759.8 MILLION \$997 MILLION total expected regional total expected tax revenue for St. Bernard tax revenue by 2050. Parish by 2050. By 2050 By 2033 \$41 million \$27 million in St. Bernard Parish annually in St. Bernard Parish annually \$32.8 million \$55.1 million in the region annually in the region annually

Statewide annually

24.7 million
